

Calcul mental Cp

1.

$$5 + 5 + 8 =$$

1.

$$5 + 5 + 8 = 18$$

10

Rappel: je cherche d'abord ce qui fait 10 : 5 et 5

2.

$$6 + 4 + 7 =$$

2.

$$6 + 4 + 7 = 17$$

A diagram illustrating the addition of three numbers. The equation $6 + 4 + 7 = 17$ is shown. The numbers 6 and 4 are blue, while the plus signs, 7, and 17 are black. Two blue arrows point from the number 10, which is positioned below the first two terms, to the numbers 6 and 4. This indicates that 6 and 4 are being added together to form 10, which is then added to 7 to reach the final result of 17.

3.

$$3 + 7 + 7 =$$

3.

$$3 + 7 + 7 = 17$$

A diagram illustrating the addition of three numbers. The equation $3 + 7 + 7 = 17$ is shown. The first '3' and the first '7' are blue, while the second '7' and the result '17' are black. Two blue arrows originate from the number '10' below the first '3' and the first '7', pointing to them respectively, indicating that their sum is 10.

4.

$$6 + 4 + 5 =$$

4.

$$6 + 4 + 5 = 15$$

10

The diagram illustrates a two-step addition process. It shows the equation $6 + 4 + 5 = 15$. The numbers 6 and 4 are highlighted in blue. Below them, the number 10 is written. Two blue arrows originate from the 10 and point upwards to the 6 and 4 respectively, indicating that 6 + 4 = 10. This visualizes the first step of the calculation, where the first two addends are summed to form a new addend (10) for the next step.

5.

$$9 + 4 =$$

5.

$$9 + 4 = 13$$

6.

$$3 + 3 =$$

6.

$$3 + 3 = 6$$

7.

$$2 + 2 =$$

7.

$$2 + 2 = 4$$

8.

$$4 + 2 =$$

8.

$$4 + 2 = 6$$

9.

$$0 + 9 =$$

9.

$$0 + 9 = 9$$

10.

$$9 + 5 =$$

10.

$$9 + 5 = 14$$

11.

$$9 + 7 =$$

11.

$$9 + 7 = 16$$

12.

$$8 + 6 =$$

12.

$$8 + 6 = 14$$

13.

$$10 - 6 =$$

13.

$$10 - 6 = 4$$

14.

$$11 - 3 =$$

14.

$$11 - 3 = 8$$

15.

$$7 - 4 =$$

15.

$$7 - 4 = 3$$

16.

$$8 - 5 =$$

16.

$$8 - 5 = 3$$

17.

$$10 - 2 =$$

17.

$$10 - 2 = 8$$

18.

$$10 - 6 =$$

18.

$$10 - 6 = 4$$

19.

$$17 - 1 =$$

19.

$$17 - 1 = 16$$

20.

$$11 - 5 =$$

20.

$$11 - 5 = 6$$

Bravo !
